John R McClurg

Commanding the Surgeon US Vols

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances; and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. REMARKS.

James Glanville is a veteran soldier and wounded at Germantown Pennsylvania June 6th 1864 been in hospital since at New Albany Ind
This Descriptive roll been furnished. Receipt of the same has been acknowledged by Surgeon of Hospital

NOTES.

1...The amount of any extra pay for which the soldier may be mustered, as *C. or Acting Hospital Steward*, as *Saddler*, &c., and which may be *still due* him, must be carefully noted.

2...In the column headed "BOUNTY PAID," must be entered the aforeamount *hitherto paid* him, in that of "BOUNTY DUE," the *whole* amount *yet due* him. BOUNTY paid by State authorities, and not by the United States, will not be entered on this statement.

3...Stoppages for *loss or damage* done to *arms*, or other *public property*, must be noted, and the *articles* and *particular damages* to each, *specified*. When stoppages are due, under sentence of a Court Martial, a *transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* noted.

4...In every case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence* or *pardon*.

5...*A careful settlement of the man's* CLOTHING ACCOUNT must be made, *to date*, *and the amount* DUE TO, or PAID him *must be precisely stated*.

6...Should the man have been engaged in any action or skirmish, it must be mentioned, together with *date and place*. *A full and particular mention* will be made of any *wounds* he may have received in action, or *other injury*, whilst in the *line of his duty*.

7...If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has been allowed pay for having been so mounted on his own horse.

8...When a soldier is furnished with final statements, his *descriptive list*, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his accounts. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Dep't.

9...Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

10...Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted. (substitutes, under the Enrollment Act, are mustered in by enlistment.) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted.) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 6th *D. Mass.*; (meaning 6th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)

11...A separate descriptive list should, as a general rule, be given for each man.

12...Descriptive lists must, in all cases, be signed by COMMISSIONED officers not by enlisted men *acting* as such.

NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

OF

21st Reg't of Kentucky Infty
K

VOLUNTEERS.

Died July 29 65

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates: with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

I certify, on honor, that Jackson Goff, a Private of Captain D R Gray Company (H) of the 21st Regiment of Infantry VOLUNTEERS, of the State of Kentucky, born in Hardin Co. ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the——— day of ———, 186–." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

VOLUNTEERS.

Died Apr 4 65

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that the descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute the space for time, &c., of enrollment, should contain only the word *drafted* or *substitute* as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran (or recruit,)* as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

OF

21 Reg't of Ky Vet

VOLUNTEERS.

Died July 20/63

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the account cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran (or recruit,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the

(Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete abstract of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or recruit,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

REMARKS.

Left Sick at Draft Rendezvous Louisville Ky. April 4th 1865

NOTES.

1...The amount of any extra pay for which the soldier may be mustered, as, *as Acting Hospital Steward, as Saddler, &c.*, and which may be still due him, must be carefully noted.

2...In the column headed "BOUNTY PAID," must be entered the whole amount *he* hitherto *paid* him; in that of "BOUNTY DUE," the whole amount yet *due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

3...Stoppages for *loss or damage done to arms, or other public property*, must be noted, and the *action*, and *particular damage* to each, specified. When stoppages are due, under sentence of a COURT MARTIAL, a *transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.

4...In every case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence* or *pardon*.

5...*A careful statement of the man's* CLOTHING ACCOUNT must be made, to date, *and the amount* DUE TO, *or* FROM him must be precisely stated.

6...Should the man have been engaged in any *action*, or *skirmish*, it must be mentioned, together, with *date* and *place*. *A full and particular mention* will be made of any *wounds* he may have received in *action*, or *other injury*, whilst in the *line of his duty*.

7...If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.

8...When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Dep't.

9...Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

10...Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was *drafted*, or, if a substitute, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment.) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted,) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *6th D. Mass.*, (meaning 6th Enrollment District, Provost Marshal of the Enrollment District.) Or if a substitute, the name of the enlisting him. (When enlisted by Board of Enrollment, the name of the State of Massachusetts.)

11...A separate descriptive list should, as a general rule, be given for each man.

12...Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such.

I CERTIFY *that the above is a correct transcript from the Records of* a Detachment Assigned and forwarded to the 2d Regt Ky Inf'y

General:

I have the honor to state that when I enlisted in the army, I was, by profession a Hardware and Commission Merchant and my business yielded me an income annually of nearly two thousand dollars ($2000 00/100). — Upon entering the U. S. service (October 21. 1861) I left my business in charge of an Agent; and rented my property for the term of three years. The lease of my property has expired. My Agent (Wm. A. Gunn of Lexington, Ky) has given me notice that he is removing to the State of Illinois — and can no longer attend to my affairs.

My Mother and one Sister, who are dependant upon me for support are thus left alone, without a male protector and I have endeavored in vain to find an agent to whom I can trust my business. My private business and domestic affairs

being thus dormant, demand my personal attention.
In January I was in command of Company "E"
and (three-fourths of the Company re-enlisting) entitled
me to the veteran-furlough, which I accepted, not however,
until I was assured by Col S. M. Price, that I would
not ~~remain~~ have to serve longer than three years
from the original organization of my Company, which
term expired October 21, 1864. On my Commission I was mustered
for three years, hence, cannot be, mustered out with the
non-veterans. — My heart is in the cause of my
Country and I take pride and pleasure in
doing her Service, yet should I remain in Service—
I do so, with considerable pecuniary loss and
at the risk of losing all I possess.
Hence, justice to my family and my own
private interest prompt me to tender to you,
my resignation as 1st Lieutenant and Adjutant
of the 21st Regiment Ky Volunteers.
I am not indebted to the U.S. Government and have
no Government property in my possession.
I have never been absent without leave.
I was last paid to include the 30th day of June 1864 by
Paymaster Williams.

Very Respectfully Your Obt Servt

Sir:

I have been in service two years and have never been absent from my regiment.

The business of my Father's Estate, consisting of considerable property and a surplus sum of One Thousand Dollars not provided for in his Will, is unsettled. — A division of the property or its proceeds is desired by the heirs, the youngest of whom recently became of age.

I have endeavored to have these affairs settled by correspondence but my efforts have been unsuccessful. Agreements have to be made, deeds transferred, receipts exchanged and claims settled. All this can neither be done without a meeting of the parties interested nor without my aid as the enclosed letter, written by my Uncle, Wm Gunn, the chief executor, to my brother and myself, will attest.

Next to the interests of my Country, I desire the promotion of my domestic affairs and the welfare and prosperity of my family are involved and dependant upon the settlement of the business of my Father's Estate.

For these reasons, I respectfully ask a leave of absence for Thirty (30) Days.

Dear Sir:

Through a letter from my Uncle (Wm Gunn, Esq.) I learn that it was through your kindness and on account of your friendship for him that I was, a few days since, detailed as Clerk in your Inspector Generals Office. — Gratitude for the favor shown to both my Uncle and myself prompts me to write you a few lines stating the reasons why I asked to be relieved and allowed to return to my Company. — — Disliking any position that I do not merit I have refused several similar appointments for fear of falling below the expectation and representation of my friends who have sought such places without first consulting me. — Then, a residence of two years in Nashville was enough to satisfy me that there are no attractions in the city for one of my nature aside from business. New and rustic scenes, although neither exciting nor romantic, are far more attractive to me than the monotonous throng or the flurry and gayeties of a city. But my friends, and particularly my Uncle, are fearful that my constitution will not withstand the shocks of another winter campaign hence his anxiety to have me removed from the camp and placed in quarters where I will not be exposed to the various and sudden changes of the weather. I have no fears in this respect unless I should become afflicted as I once was with

a nervous and pestiferous disease, called: "Calculus".
Should that disease return I shall petition you for lighter duty.
I know the requirements of the office I now hold and feel fully competent to discharge the duties devolving upon me, and I had rather perform a light duty well than undertake more than I can accomplish skillfully. Moreover, I am aware of the necessity of having in the field, to fill the ranks — men who like active duty and who will perform such service faithfully and cheerfully. Such a place is my choice such duty my preference.—... I wish to be useful in whatever situation I am placed and am willing to serve my Country in whatever capacity my superiors desire me to and my highest hope is to advance the interests, promote the welfare and sustain the Flag of our Country and to see peace and prosperity restored to her people.
To secure this object I desire to see discipline enforced and your orders more promptly executed in the Regiment to which I belong.— Trusting that future events may throw us together so that we may become personally acquainted and hoping that under your guidance my highest hopes may be realized, I am, Sir, with grateful acknowledgements.

Gen Rosecrans Dear Sir

I wish to thank you for the prompt manner that you complyed with my request in regard to my two Nephews altho they declined the kind offer I wish to thank you for the great General Skill you displayed at Stone River and the victory you won

I am proud to say those boys fully bear me out in their Bravery in the great Battle in all I said of them I will give you an extract of a letter I Received from an Eye witness (he says the most of our men had been driven back across the River our Color bearer being heavy and unwilling to Live was ordered by Rogers Hanson (now dead) to surrender he nobly Exclaimed you may take me but you shant have my Flag and put it in to the River John T Gunn seeing it rushed back in to the water seized it

and Ensign out in a Storm of Bullets
and bore it through the Remaining fight
he was the cause of Rallying quite a number
of our men taking a Rebel Stand of
Colors and finally planting his on the
Big Siege Gun and mounted a Straddel
of it before any one else got to it and Raised
such a yel of delight as none but the
Brave can give all that followed now
feel proud that they were of the party
that followed John Gunn as he turned
on the enemy and Shouted follow me
would to God all your Soldiers were of that
sort he is a fine boy a good writer and
has payed great attention to Military
affairs being fond of it from a child he
belongs to the 21st Regt Ky Vol Infantry
he would make a Military man of he had
a chance for better drill officers in the Vol
entire Service he is Orderly in his Regt he is
sober Modest cool determined quick & active
your attention is asked to this boy by one that
has staked his all from the commencement of
these troubles on the side of his Government
you will please [illegible]
pardon me for
these troubling you Wm Gunn

(A. G. O. No. 71 & 91.)

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account upon which the upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension, special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

COMPARED WITH

AND CORRECTED BY

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of muster, in the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

ARTICLES OF WAR.

ART. 83. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 83th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the Commander of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of the death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (——) ——— regiment of ———, who died at ———, the —— day of ———, 186—." If a legal representative receive the effects, it will be stated in the receipt. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they will be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In which cases of sales by the Council of Administration, a statement of debts, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) are required by the Paymaster with receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Account of the proceeds of the effects of ——— ———, late of company (—,) ——— regiment of ———, who died at ———, the —— day of ——— 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, receipts in duplicate are sent to the Adjutant General, their genuineness certified to on the inventories. In all other cases, receipts will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Especial care should be taken to take receipts in duplicate from the legal claimant for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

This man deserted on or about August 15, 1863, and returned (or was arrested) on or about October 2, 1863.

As he was subsequently restored to duty by S.O. No. 115 Hdq. 2nd Div. 4 A.C. Camp Hunter Tenn. June 2 1865 without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from on or about August 15, 1863, to on or about October 2, 1863, cannot, however, be expunged. His whereabouts from Sept. 15. 1862 to August 15. 1863 are unknown. He entered Post Hospital Bransfordville, Ky. October 10. 1863 with Scrofula and was sent to General Hospital over

This man deserted on or about November 6, 1862, and returned on or about June 1st, 1863.

As he was subsequently restored to duty by S.O. No. 6 Hd Qrs 1 Div 4 A.C. Mrs. R.J. Weigel
1704 Central
Dodge City, Kansas

Dear Mrs. Weigel:

Reference is made to your letter of 19 July 1952, herewith returned.

Many men named Will (William, Wilbur) Newcombe served in various Wisconsin and Illinois organizations that were mustered into the Federal military service during the period of the Civil War but from the information furnished, this office has been unable to identify the record of any of these men as that of the man in question.

The records show that Joshua B. Hazel was enrolled 19 October 1861 at Camp Andy Johnson, Kentucky; was mustered into service 30 December 1861 at Camp Ward on Green River, Kentucky, as a corporal of Captain Morris' Company, 21st Regiment Kentucky Infantry, which subsequently became Company B, same regiment, and was honorably discharged as a corporal 3 January 1864 in order to enable him to reenlist as a veteran volunteer. He reenlisted 4 January 1864 at Shell Mound, Tennessee, as a private in the same organization and was honorably discharged 9 December 1865 at Victoria, Texas, as a private. At time of enrollment he stated that he was 27 years of age, was born in Green County, Kentucky, and was a miller by occupation.

Sincerely yours,

Sir

Joshua B Hazell a private of my company "B"
21st Regt Ky vols Infty did on the 6th of Nov 1862
while on the march from Wildcat Ky to Galatin Tenn
absent him self from his company without leave
from his commanding officer and did so remain
absent untell the first of June 1863: he made a good
Soldier up to the time he left: he has made a Splendid
Soldier since his return: he took a part in the fight
that the regt was engaged in with Wheeler at Andersons
Gap: he also took a part in the Skirmish at Chickamauga
Station, and I never Saw a Soldier act better than he
did on those two occasions: he has passed the Retirian
Service, and I feel Confident that he will make a
good Soldier in the future I therefor request that said
Soldier be restored to duty and to the rolls with the loss of his
pay for the time he was absent

I have the honor to remain

Brig Genl. L. Thomas,

Sir:

I would respectfully represent that I have a furlough, granted by Maj. Genl. Thomas, Comdg. Dept. Cumbd, for twenty (20) days, which expires on the 28th day of March 1864. When I made application for the furlough, my father was very sick, but died before the furlough was granted.

I would respectfully ask that an additional furlough of thirty (30) days be granted me, from the 28th day of March, for the following reasons:

My Father has recently died, and my mother is very ill, with no one upon whom to rely for protection but myself. My Father before his death, made me executor of his estate, and it is very important that I should remain here for awhile to settle up his business

Hoping my request will be granted, I am, Sir.

Very Respectfully, Your Obd't: Serv't. William Means
1st Lt. Co. C. 2d Ky Inf'ty.

I know the within Statements of Private William Heanne to be true. His Father has recently died and his mother is very ill, and I hope his request for a furlough of thirty (30) days may be granted

I will Mr Hodges of Company C 21st N.J. Vol.
having applied for a Certificate on which to
ground his application for leave of Absence
do hereby Certify that I have carefully exam-
ined this Soldier and found that he is labour-
ing under Chronic Pleuritis in the Left

last two Months and that in consequence there-
of he is unfit for duty. I further declare my be-
lief that he will not be able to resume his

nature of his Disease is such as to make a
change from Comparative Inactivity requiring
to prevent permanent Disability. Nothing
would conduce so much to this recovery as
a change from this to his native Climate

FINAL STATEMENT

OF

_____ Reg't of _____

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well upon the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the Captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

3 Regt. Ky. Vols. Cav.

Thos Hogan

We certify, on honor, That we have carefully examined the above-namod Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Nathaniel E. Watkins of Simpson Co, drafted in Lewisburg Green, Ky 2d Congressional District, 1864, we have strictly observed the Regulations which govern in such cases. This soldier has Blue eyes, Light hair, Fair complexion; is 5 feet 6½ inches high.

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of John Holland ex. VOLUNTEERS.

Pvt Co E 22 Ky

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. Final Statements are never given to men mustered out of service; that he may at once receive from the Paymaster the pay, &c., due him, and the Captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates with these certificates the Soldier is examined to his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and indorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing accounts, and all other charges against him or in his favor, so as to compose a complete extract of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for class, &c., of enrolment, [illegible] only one [illegible] statements, as the case may be. In the Soldier's [illegible] of a substitute [illegible] of a drafted man [illegible] the name of the principal for whom he substituted after the words "in the service of the U. S." Dear Friend,

Allow me the privilege of intruding for I have failed in my effort to find the above, and the cause of his death, has reached his Mother, & this is the reason why I address to You. His last to me is dated April 14th 65 and since then I can find no trace of him that is reliable. Will you please have the kindness to inform me if the unfortunate Lieut, if I knew the Colonels name, I would write to him. I am his Guardian, consequently it is my duty to make any inquiry in his Mothers behalf & also mine. He had in his Majors hands nearly $600

and if dead, I would like to give it to his Mother or
for she is old & feeble, and nearly distracted.

Forgive me, excuse me for intruding,
for I know that you are busy with Official business
and have no time to attend to matters of this kind

Hoping that you may live long -
to enjoy the fruits of your hard earned labor, and
the praises of every true heart, that you have so ably
made glad, aye, proud by your wisdom & victories,

I remain Forever your

I have the honor to state that on the 14th day of November 1861 I was commissioned by the Governor of Kentucky as Captain of volunteers the being recruited for the Three years service of the United States, and on the same day at Lexington Ky. was mustered by E. Sayre a mustering and pay officer for the troops raised in that part of the state My company which was mustered on the same day, was assigned to the 21st Regt Ky. Vol. Infty. which was mustered as a Regiment on the 12th day of December 1861. These musters were by State officers. I with the Regiment, was mustered into the United States Service on or about the 2nd day of January 1862 by Capt Kellog a mustering officer of the Regular army. I received promotion in the Regiment and was mustered as Major on the 1st day of May 1863 by Capt. (or Lieut) Murdock at Murfreesboro Tenn. Having served as faithfully as I knew how during the Three years for which I was commissioned, I now most respectfully ask, to be honorably mustered out of the Service

I therefore recommend that Leave of Absence be granted him, & that he report to the Surgeon of the Department for Examination for Permanent Disability.

The Surgeon Labouring under Chronic Diarrhoea for several months but it is greatly aggravated by exposure & over exertion in the many hard Skirmishes, in which he has taken a part

Having applied for a Certificate —

I do hereby Certify that I have carefully examined this Officer and find him the subject of Considerable Physical debility originating from derangement of his digestive apparatus, Consequent upon a great deficiency of healthful glandular action — He is evidently threatened with an attack of Fever, Probably of the remitting bilious character - and in Consequence he is in my Opinion unfit for duty — and I believe that it would not be prudent for him to travel —

I further declare my belief that he will not be able to resume his duties in a less period than three weeks even if our most favorable expectations are realised —

I have been Majr Hoskins' Family Physician for the past Seven years —

I would remark (explanatory) that there is no Army Surgeon at this Officer's Place of Residence - and I urgently advised him to avoid fatiguing exercise during the excessive warm weather —

J. W. Freyman

Aug 13. 1864 I may add that Major Hoskins having failed to

forward the foregoing Certificate expecting Possibly to be the bearer of it himself, is Now Confined with What, looks very like an attack of Fever as I have feared for Some days

VI Leave of absence for Twenty (20) days, on Surgeon's Certificate of Disability, is granted to

Major J. E. Hawkins
21st Regt Ky Vol Infty.

NOTE.—The attention of the Officer receiving this leave is directed to the following extracts from General Orders No. 100, War Department, August 11th, 1862:

"So much of General Orders No. 61, Current Series, as relates to the extension of sick leaves of absence is hereby revoked, and no applications for such extensions need hereafter be made. The order of the President, dated July 31st, (General Orders No 92) fully explains what may be considered as good cause for absence. Surgeons' Certificates of Disability, required by existing orders and regulations, must be forwarded not only to the Adjutant General of the Army, but also to the Commander of the Regiment, or, in case of a staff officer, to his Commanding General." * * * * "Officers absent from duty without leave, or beyond the time of their leaves, will not be allowed to draw pay until a court of commission, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper medical authority, as required by existing orders and regulations."

Major O E Hosking of the 21st. Regt of Ky V.V. I
having applied for a Certificate
I do hereby Certify that I have Carefully examined this
officer and find that he is the subject of much gene-
ral debility - Originating from indigestion, a great want
or deficiency in glandular action, and Considerd relax-
ation of the Mucous Membrane of his alimentary Canal -
And in Consequence he is in my Opinion unfit for
duty — From my knowledge of his Summer Condition of
bowels for years (having been his family Physician
since 1857) and from present developements, it is my
Opinion that were he to attempt to return to his field
of duty in his present Condition, his efficiency for
Service would be less than when he obtained leave of
absence on a Surgeons Certificate —
I am inclined to believe that with care and prudence
in relation to dietetics and Medicinal regimen Said officer
will be able to resume his official duties with an addi-
tional twenty days leave of absence —

General

I have the honor to ask for leave of absence for Twenty days upon the following grounds, viz:

1st I am the guardian of two female wards whose estate has, thus far, been held joint and undivided; one of whom has recently married, and, with her husband, has brought suit for a division and settlement of the estate. The division and settlement can not be made, without great loss to myself, without my presence. I have not been able to settle my accounts as Guardian for two years past, having been, during that time, in the service, and not having had leave of absence.

2d When I came into the service in 1861 I was, and still am, Trustee of four different estates, two of them large. I have not been able to finally settle either of them owing to my absence in the army. Justice to the grantors, the creditors and myself requires that these estates should be settled at once, which can not be done without my presence at home.

3d Since I came into the service, several persons on whom I held claims of considerable amounts, as Guardian, as Trustee and individually have died, and these claims cannot be collected of their Administrators without certain statutory proof made on them. To make this proof it is necessary that I should be at home. If I delay until the estates are settled up I shall lose the debts.

4th The death of my wife within the last few months has almost entirely

failed, rendering her incapable of making suitable provision for myself and our children during the winter. I consider it my first and highest duty to go home and render them comfortable.

I have been in the service since October 1st 1861, and have never had leave of absence, except for two days in October 1862, and have never been absent without leave.

Our Regt having been temporarily attached to 23rd Corps Division, and having made the march to the neighborhood of Knoxville, has just returned to its proper Brigade at this place. so that I have not had an earlier opportunity of making this application.

I therefore very earnestly request a leave of absence for twenty days.

My Post office address and residence is

Versailles
Kentucky.

Very Respectfully
Your Obt Servt

DUPLICATE WITH INVENTORY SENT 2d AUDITOR

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
